Contacting employers by telephone

When making a phone call to a prospective work experience employer, it's important to still have a pre-organised plan, as you would when sending an email. Here are some hints and tips on how to have a successful phone call!

- Be polite and cheerful
- Speak clearly and not too fast so you're easily understood
- Make some notes before the call about what you want to talk about, so you don't forget anything
- While you're on the phone, make a note of anything important that you need to remember
- Even if you don't feel very confident, try and sound like you are! Take a deep breath before you call, and give yourself time to think when asked a question
- If the employer is unable to offer you a placement, try not to be disheartened
